

Dear Valiant Ones,

It is my prayer that you are fighting the good fight of faith. If so, you are on the side of victory!

I am writing to you today because of a strong conviction I feel inside me. It is the conviction of sin, righteousness and judgment the Holy Spirit brings into the world. I know I am not alone in this but there are many of you who are sensing an intensifying spiritual battle brewing in our nation. It has always been and continues to be the battle for souls.

As good soldiers of Jesus Christ, we are called to follow our Commander in Chief in all matters of spiritual conduct. It is imperative we be obedient and remain completely under His righteous authority. Christ is the Ruler over all. One day it will be evident that God has put all things under His feet. For now, we must continue to serve our Commander with all our heart. The risk is great because the stakes are high. This war is about glory! It is about souls! It is about truth!

We are saved because someone recruited us through the Word of God and prayer. The truth of knowing Christ is what set us free from sin and death! The greatest glory the Savior can receive is souls rescued and redeemed forever. May this message be a reminder to all of us that we are still on planet earth because Christ commands us to love one another and share the Gospel. The Love of God is the ultimate victory we experience as soldiers of Christ.

Let me leave you with this truth. When Jesus died in the battle of Golgotha on that dark Friday afternoon, the first act of God was to tear the curtain in the temple separating the holy of holies, the dwelling of God on earth. He tore it in half from top to bottom. This is so significant for us because we can now come boldly before the throne of grace to receive mercy and strength in our time of need. Hebrews 4:16.

Let me remind you that this verse is for the good soldiers of Jesus Christ. Those who are in the battle for souls are assured of constant replenishment and reinforcement. Obedient followers of Christ, filled with compassion for the dying and harassed will always be given what it takes to win one more soul. The battle is the Lord's and to Him goes all the glory. We are invited to be part of the greatest force on earth. And that is an awesome privilege.

Enduring to the end,
Pastor David DiPietro Jr.
