

GIVING THANKS

Dear friends in Christ,

Our Father in Heaven is so truly committed to the well-being of His children. Though He allows us to go through tests and trials, His keeping power protects us every day. Many answered prayers have filled our lives. We are so blessed by the Most High God. He is Good all the time.

Since Thanksgiving Day, it has been my prayer that all of us may experience a new beginning in some area or level in our lives. I believe in God's Word that promises us hope and a future. I want you to know that no matter what you are going through there is something better ahead for you. Don't look back! Hold your head up and straighten those shoulders and say, "I can do all things through Christ who strengthens me."

Remember, you have been chosen to bear fruit abundantly.

You are called to follow the Best and to be the best you can be.

You are already perfect in His eyes and loved for all eternity.

You have been set apart for His Glory!

The Word I have for you is:

"Be bold, be strong, for the Lord your God is with you" Joshua 1:8

Wishing you a Happy Thanksgiving all year long!
