When I hear the anointed songs that the Lord has given my wonderful friend and sister in Christ, Elisabeth, it's as though I am being transported to a heavenly plane where the Lord has actually opened a portal for me to enter into His Presence. Her songs are divinely inspired and portray so vividly the heart of the Lord for His people and His longing and zeal for us to enter into a deeper relationship with Him. The songs on "Heaven Bound" encompass the very essence of God's character and emanate His desire to fulfill His promises and blessings to His people. Her music refreshes the soul and at the same time gives it a peaceful aliveness where you want to say "Lord, I give you all that I have and all that I am; for You to renew, restore, transform, rejuvenate and use for Your glory. Here I am Lord, choose me." When I allow myself to be a part of the song and listen carefully to the Word of God, so beautifully displayed in such an intimate picture, I am overwhelmed to tears. How the God of the universe could have such a longing for His creation is beyond anything I can imagine. I do pray that these valuable songs will continue to minister to the many wounded hearts in need of healing. - **Anna K. – Alberta, Canada**

I'm listening, as usual, to **Lifted**. Thank God for you and your ministry, I pray that others are "lifted" as I am when they listen. Praise God !!!!! - **Bob C. – Bordentown, NJ**

I have listened to the CD a number of times. My favorite songs were "**Divine Romance**", "**Lifted By the Power of His Love**", "**Pray for the Peace of Jerusalem**", "**Give Us Love For Each Other**", and "**Walk Humbly**". My very best favorite, which I had to play twice right away, was "**Lord, You Are Wonderful**". That really touched something in me. I couldn't wait to hear it again. The whole CD is great. God blessed you with a beautiful gift in your singing and it is so wonderful that you share your talent so that others may find joy in listening. – **Nancy K. – Philadelphia, PA.**
